Grading Systems

Report cards are issued every trimester. Exams are given at the end of each trimester. The grading system is as follows:
 A grade point average (A = 4.00) and decile standing are computed at the end of each year. Advanced Placement courses are weighted x1.5, and Honors courses are weighted x1.25 in the computation of the GPA. A weighted GPA is reported.

The Latin Honors Ranking (LTR)

The LTR system establishes three distinct honors levels where students are recognized for their academic performance. The honors distinctions include:
